

The EMCEL Filters Horsham Festival of Cricket 2008

EMCEL were delighted with the 2008 Festival even though the weather could have been kinder. It was great being able to catch with a lot of customers over a leisurely lunch and also watch some cricket.

The superb hospitality arrangements over the 5 days were again supplied by Sussex CCC in-house catering team.

EMCEL would like to thank all at Horsham CC, Sussex CCC and of course all our guests for making this year's Horsham Festival of Cricket a memorable occasion.
